# Downtown for

*This year, our school will be participating in the BoxTops for education program. My name is Amanda Rumberger. I'm thrilled to be the Boxtop coordinator for Our Lady of Lourdes. Clipping Boxtops is an easy way to help our school to buy its needs. Boxtops are each worth 10 cents and they quickly add up to real cash for our school. This school year, our school's earning goal is \$1000.00.*

*To help our school, just look for pink Boxtops on products, clip them, and send them to school. For more information on the Boxtops products for education program, including a list of participating products and our school's progress, visit [www.BTFE.com](http://www.BTFE.com). Be sure to become a member to receive exclusive coupons and recipes and learn about extra ways for our school to earn.*

*I hope you're excited with everything we can do with this year with Boxtops! If you have any questions please don't hesitate to contact me at, 570-4923102 or [amandarumberger@yahoo.com](mailto:amandarumberger@yahoo.com). I'm here to make our school's Boxtops for education program a huge success this year.*

*Thanks for Your Help!*

# *CODE OF CHRISTIAN CONDUCT*

The Catholic Church and this Catholic School recognize parents as the primary educators of their children and that the education of students is a partnership between parents and the school. The students' interest in receiving a quality, morally based education can be served if students, parents and school officials work together. Our school is committed to providing an environment that educates, nurtures, and supports students according to the basic Christian principles of charity and love of neighbor. Everyone involved in the development of children and youth— parents/guardians, teachers, administrators, family and friends—is expected to behave in accordance with these principles.

It shall be an express condition of enrollment that the students behave in a manner, both on and off campus that is consistent with the Christian principles of the school. These principles include, but are not limited to, the policies, principles or procedures set forth in our school's handbooks.

It shall also be expected that the parents/guardians of a student follow the standards of conduct that are consistent with the Christian principles of the school. These principles include, but are not limited to the policies, principles or procedures set forth in our school's handbooks.

Our codes of conduct for members of our school community were developed to promote a learning environment based on reverence, respect, discipline, responsibility and excellence. As a partnership, we all need to understand the importance of a good working relationship.

In most cases, differences can be resolved. In some rare instances, however, if, in the opinion of the administration, the partnership is irretrievably broken because of the severe nature of the conduct, the school reserves the right to disenroll a family.

The purpose of this policy then is to provide a reminder to all members of the community of the expected conduct, so that we may continue to thrive, progress and achieve in an atmosphere of mutual understanding and respect.

Our Christian principles provide that all members of our school community:

- Work courteously and cooperatively with the school to assist the student in meeting the school's academic, moral, and behavioral expectations
- Communicate and respectfully express concerns about the school operation and its personnel in a constructive and Christian manner within an appropriate setting

In order to support a Christian and safe school environment, the following behaviors are inconsistent with the Christian principles of the school and, therefore, are unacceptable:

- Physically or verbally intimidating a member of the school community
- Defamatory, offensive or derogatory comments regarding the school or any of the students/parent/staff at the school on any social media sites (Any concerns are to be addressed through the appropriate channels)
- Abusive and/ or threatening electronic, written or verbal communication
- Disruptive behavior which interferes or threatens to interfere with the operation of the classroom, office, or any other area of the school property

## *Community Aid Clothing Bin*

*We are pleased to inform you that we now have a Community Aid Clothing Collection Bin here at Lourdes. It is located to the far right as you enter the parking lot. Community Aid is a faith-based non-profit registered charity with the primary purpose of raising funds for distribution to non-profit charitable organizations. We will be paid by the pound for everything we collect here at Lourdes. You may bring the following items: clothing, shoes, blankets, bedding, linens, accessories (belts, scarves, hats), and draperies. They do not want any household "hard" items such as lamps or coffee makers. Just soft items, shoes, and accessories. They sell the donated clothing in their thrift stores located on the strip in Selinsgrove (the old Value City building) and Mechanicsburg. All items will be sold at the most affordable price to allow our neighbors a place where they can shop for their families. We will also be receiving some clothing vouchers after the first quarter to issue to those who need a "helping hand." If you are in need, please let us know. The bins will be serviced regularly as we do not want them to get overloaded. Start cleaning out your closets and dropping off your unwanted goods as soon as possible. Thank you for your support of Lourdes Regional School!*

*Sincerely,*

*Jacqueline O. Kerris  
Director of Development*
