If a student is planning to enroll in college as a freshman and wishes to participate in Division I or II athletics, he or she must be certified by the NCAA Initial Eligibility Clearinghouse. The process of certification should begin at the end of the Junior year in high school. NCAA requests that students apply online at www.eligibilitycenter.org. It is necessary to send ACT or SAT scores to the Clearinghouse directly from the testing agencies. The code for NCAA is 9999.
